Seven

God's divine number

There were SEVEN days of creation
(Genesis)

 All of life revolves around this number. SEVEN is used over **700** times in the Bible. And It is used **54** times in the Book of Revelation.
God is the father, The Son, and the Holy Spirit. 3 persons that make up the one God.

Six

Man's imperfect number corrupted by Satan

666

The First **6** Represents the creation of man. (Man was created on the 6th day)
 The Second **6** represents a man made creation. (That which God created on the 6th day begat a creation.)
 The third **6** represents Satan unifying and governing over the first 2. (God is a divine 7 and Satan falls short of being a 7 thus being a 6 a created creature and not divine being.)

According to the bible and historical findings, For thousands of years pagans have used ashtar poles to represent the male reproductive organ. In the same manner pagans have created the fish symbol to represent the female reproductive organ to the goddess of fertility in which is also worshipped by pagans.

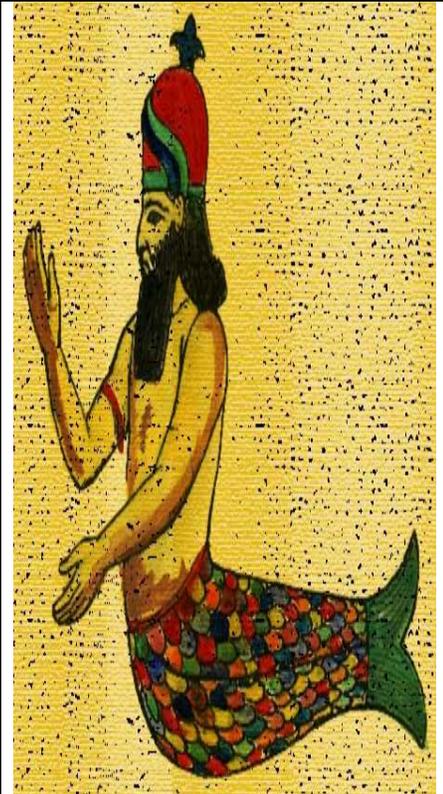

The pope's hat
